Dear Mr. Wu,

Thank you for your courtesy in our telephone conversation this morning. A copy of the petition to make special, the change of correspondence address, and Application Data Sheet which were filed with the referenced application on 25 July 2003 are attached together with a copy of the return receipt postcard. We are concerned that the PTO's electronic file of this application has been corrupted because this supposed attorney of record whom you mentioned is unknown to us and has not been connected with this application.

Please call me at 312-526-1534 or Paul Vargo at 312-775-0401 if you need any additional information. Thank you for your attention to this matter.
